Subject: Progress update on Viwentiaa 2026 preparations.

Dear Professor Reddy,

I hope you are doing well. I would like to provide an update regarding the preparations for Viwentiaa 2026.

The organizing committee has made significant headway over the past couple of weeks to ensure all arrangements stay on track for a successful event.

We have successfully reserved the main auditorium and technical laboratories across campus for all scheduled sessions. On the sponsorship and guest management side, we have finalized agreements with three primary industry sponsors and confirmed the attendance of both keynote speakers. Our team has also launched the official registration website and promotional campaign, which has already received a positive response from students.

Over the coming week, our main focus will be finalizing the audio-visual and equipment setup requirements with our technical vendors. Additionally, we are coordinating with campus security to organize entry protocols and volunteer duty rosters, as well as sending the final artwork for participant badges and event posters to the printer.

We would appreciate your review and approval of the final technical vendor budget so we can lock in the contract. Please let us know if you have time for a brief 10-minute meeting this Thursday afternoon to discuss these final details.

Thank you for your guidance and support.
